PIOTR SŁUPSKI

FRONTEND DEVELOPER

Self-improvement is my driving force. I think that there always is something what I can do better. This mindset gives me motivation to learn new programming skills and languages. Work commitment is also crucial for me. When I have some important task to do, I will do it as best as I can. Communication with a team is what I value most at work.

WORK EXPERIENCE

Call Center Inter Galactica Wrocław
2022 - present

I've learnt a lot working here as a phone consultant. Especially how to **deal with demanding** clients. I've also gained a lot of **problem-solving** skills. Thanks to this job, **customer relations** became much easier to me.

EDUCATION

Part-time Studies - Artificial Intelligence

Wyższa Szkoła Informatyki Stosowanej we Wrocławiu
2022 - present

Currently I''m studying IT in Wrocław. I'm on the Artificial Intelligence profile. I've developed better analytical thinking thanks to the University.

Secondary School - IT Profile

Zespół Szkół Ekonomiczno Gastronomicznych w Cieszynie
2018 - 2022

This is where i started my IT journey. I went there to IT class and got two specialisation certificates - EE.08 and EE.09.
